THE
BAY HOTEL
MORNINGTON, VIC

MORNINGTON'S NEW FAVOURITE WATERING HOLE

The Bay Hotel is a place to discover the untold stories of Mornington's rich heritage, relaxed beach-side main street and pub culture.

Set in the former Commercial Bank building on the main street – fully restored to all its 1889

glory – this heritage building is a unique piece of history. This quintessential design draws inspiration specifically from 1900 Australian heritage, pub culture and the iconic beach-side town Mornington with a sprinkle of Irish pub charm!

FUNCTION ROOMS

THE VAULT

A fantastic remnant left over our venue's past as the Bank of Australasia in the early 1900s. The Vault is a special place for intimate dining experiences, equipped with a TV for private viewings of sports events.

THE BAND ROOM

Since forever, The Bay has been a local hot spot for all things live music. And we're keeping the tradition alive! You'll find this place hopping all weekend with Mornington's favourite music acts, comedy gigs and screenings of major sports events.
